

Veterinary Technology Program Volunteer / Work Experience

Large Animal Volunteer/Work Experience

As part of the admissions process, applicants to Red River College's Veterinary Technology (VT) program are required to provide proof of completion of an occupational familiarization (OF) to veterinary medicine and veterinary technology.

Requirements:

- Minimum 80 hours, including a minimum of 8 hours working with large animals such as horses, cattle, and/or swine.
- Completed at a veterinary clinic or offsite location (i.e. a dairy barn), working alongside a veterinarian or veterinary technologist.
- Hours completed within the past 12 months.

TO BE COMPLETED BY APPLICANT (separate form for each placement)

We strongly recommend you complete your OF before applying to the VT program to ensure you can submit this form within 30 day of applying.
